

Storm Lake Tornadoes

8th Grade Athletics Placement

FLOWCHART

Parent/guardian believes their child is physically and emotionally ready for high school athletics.

Parent/guardian contacts the activities director or school administration to discuss the opportunity.

District reviews the request on an individual basis:

The review considers physical readiness, emotional maturity, student safety, team needs, and overall wellbeing.

Decision is shared with the family.

PLEASE NOTE:

- Most 8th grade students will participate in middle school athletics.
- We will not allow 8th grade students to participate in high school football due to student safety considerations.
- Coaches will not recruit 8th grade students to play at the high school level.
